

Remote medical consultation platform

How does this service work?

MSH International, on behalf of Previnter, provides you with a **remote medical consultation platform**. Just a few clicks away and without having to leave the comfort of your home, Doctor on Call means being able to get answers to questions about your health, medical advice or an opinion or diagnosis at any time 24/7, as well as a prescription* if needed.

Talk to a doctor

- 1 Log in
- 2 Type a question
